**TUTORTANGO**  
Take Your Teacher  
With You

Tutor Tango is a visionary online tutoring service founded and run by teachers. We offer students in grades 7-12 superior-quality instruction in a wide range of subjects and Test Prep. On our website, students and tutors work together to build academic understanding, confidence, and independence.

Additionally, Tutor Tango prepares students for the 21st century college classroom and the professional world. Our top-notch tutors give students opportunities to develop key executive functioning skills, such as teleconferencing and independent online schedule management. Our learning interface features Video & Audio Messaging, File Sharing, Instant Messaging, Desktop Sharing, and an Interactive Whiteboard.

Tutor Tango's digital doors are open just about all the time. Because students and tutors meet virtually, tutor sessions easily fit into students' busy schedules and address immediate academic needs. With Tutor Tango, students can log-in and meet their tutors wherever it's convenient.

## A TEAM OF TUTORS LIKE NO OTHER

Tutor Tango is very selective in who we hire. Our tutors are highly experienced *teachers* who hail from top institutions, including Harvard, Yale, Dartmouth, Univ. of Chicago, Cambridge, Columbia, and Penn. 100% have undergraduate degrees, over 50% have graduate degrees, and 10% have PhDs. Moreover, we vigorously vet all of our tutors through interviews, multiple reference and background checks, and a series of collaborative training workshops.

Our tutors are gifted educators and experts in their fields who won't write papers or do homework for their students. Tutor Tango tutors empower students to succeed on their own, putting a premium on academic honesty and integrity.

## A WIDE RANGE OF SUBJECTS

We have approximately 40 teachers trained to teach in a wide variety of subjects, including Art History, English, foreign Language, math, Music Theory, social studies, science, and test prep. For a complete list of subjects offered, see: [tutortango.com/content/our-subjects](http://tutortango.com/content/our-subjects).

## WORKING TOGETHER TO BRIDGE THE ACCESS GAP

Tutor Tango is all about ACCESS. We aim to close the ACCESS GAP to private tutoring and extra instruction among student populations. At our core, we embrace an innovative educational mission to find collaborative, creative, and substantive ways to reach all students in academic need. We believe that any student who needs instructional help should have it, even if that student doesn't have the means to access a private tutor.

## HOW TO ENROLL STUDENTS

### Two Simple Steps

1. The student's academic dean or counselor should e-mail us at [probono@tutortango.com](mailto:probono@tutortango.com) with the full name and e-mail address of the eligible student.
2. We will send an e-mail to the student and dean/counselor with a username, password, and simple instructions about how to register and schedule the first tutoring session.

We can provide tutoring session summaries. If you're interested in this option, please let us know in the body of your e-mail.

## WE VALUE YOUR INPUT

Our program is open and evolving, so please contact us with ideas, suggestions, and collaborative opportunities.
